

How transitorial are our earthly goods
They grow and faint away
They are created and then dissolved
Submitting them to man: let this be our cause

Boeddha addressing Ananda

When there has been true awakening
one can not find any aerthly goods
Everything is deep inner nature
and Boeddha at once

Hui-Neng

Did you not see him
The man at the end of the Way
The man who found Wisdom
The man who is not settling anymore

Hyu-Jeong

Through the Gate of enlightenment
the Gate of not settling
the true Tathagata is entering the
Garden of Boeddha
